

Retraction notice

**Retraction notice to
"Applicability of Canister for Barraging Missiles"
[(2015) IREASE 8 (5), pp. 161-166]**

Irish Angelin S., S. Raja, K. Rengasamy, Arunvinthan Shanmugam

In response to a request made by the authors of the paper, the paper has been retracted by the Publisher. The explanation provided by the authors is that the paper includes some data and an analysis in part already published in other works omitting, unintentionally, the related references.

To know which further actions are previewed by **Praise Worthy Prize** in case of Retraction, please see the following link:
